Renovations

It was great to see the amount of work completed over the holiday period in our main passageway. Our passage is now bathed in natural light and provides a bright entry to our classrooms. The painters are now painting external timber work to improve the appearance of our main building.

Interschool Athletics

Congratulations to all our students who braved the cold and occasionally wet weather at Aberfeldie Park yesterday. All our students competed to the best of their ability and we were very pleased to come fourth overall. A number of our students have gone through to the regional finals and we wish them all the best. Thankyou to Ms Scott for all her work co-ordinating our team.

****Reminder: Canteen Lunches no longer available on Mondays****

Don't forget this term you need to wear your hat.

Milleara's mini fete 2009

The 5/6's would like to thank the teachers, parents and our sponsors for helping us organize and run a mini fete. Everyone put in their best efforts and that helped to make a successful fete. We raised a total of \$2150. We will donate money to our World Vision Sponsor child and to State Schools Relief. The rest of the money will go towards a "Big Day Out" for the grade 5/6's at the end of the year. Thank you once again for all your efforts and help.

Coach Approach

By Johnathon and Reef

Thursday the 17 of September Milleara Primary School had 'Coach Approach' comes to visit us and do different sporting activities with different coaches that were related to the sport. The sports we did were Soccer, Ultimate Frisbee, Hip-Hop dancing, Basketball and a range of teamwork activities. These events were so fun that some teachers participated.

After all the events all met back in the multipurpose room and got all of the coach's signatures with some students winning prizes for answering questions that were asked by the coaches.
